...too precious to lose.

Please direct your comments about living Incident and Injury Free to the IIFLT email - RRIIFLT (subject: Hazard ID and Risk Assessment)

3Q Loss Prevention Event – Hazard Identification and Risk Assessment

10 Week Schedule of Discussion Topics

During the third quarter, the Refinery will be engaging in our 3Q IIF Proactive - Loss Prevention Event. As a Refinery, our focus will be on Hazard Identification and Risk Assessment.

The discussion topics have been developed by the IIFLT to increase our ability to; identify hazards in our daily activities, and understand risk and the role risk plays in our work processes. The topics will be posted on the [Incident and Injury Free Website](#) for easy viewing.

- Week 1 - w/o July 19 - Introduction
- Week 2 – w/o July 26 - Definitions
- Week 3 – w/o August 2 - Safeguards
- Week 4 – w/o August 9 – Every Task, the Right Way, Every Time (Operational Discipline)
- Week 5 - w/o August 16 – Process Check, Are we changing our behaviors related to Hazard Identification and Risk Assessment?
- Week 6 – w/o August 23 – Personal Decisions
- Week 7 – w/o August 30 – How do you evaluate risk at work - based on your values you have on and off the job?
- Week 8 – w/o September 6 – Risk Assessment is easy and obtainable.
- Week 9 – w/o September 13 - Introduce the Risk Prioritization Matrix
- Week 10 – w/o September 20 – Review and discuss changes we've made.

Thank you for your commitment to Every Task, the Right Way, Every Time,

Incident and Injury Free Leadership Team
